The Contest Rules, the PrizePicks Free to Play contest (“Contest”) and all Contest participants (“participants”) are subject to the generally applicable rules for PrizePicks: the PrizePicks Terms of Service and Member Code of Conduct ([Final 2023 Terms of Service.docx \(website-files.com\)](#)); the PrizePicks Privacy Policy ([Privacy Policy \(prizepicks.com\)](#)); “How to Play” [How to play PrizePicks | PrizePicks Daily Fantasy Sports](#); Scoring Charts for individual markets; and the Full Rules (including, e.g., rules concerning athlete injuries and account withdrawals). By participating in the Contest, participants agree to comply with and abide by these foregoing documents. PrizePicks may, at any time, and in its sole discretion, terminate the Contest without advance notice, at which point no further lineups will be accepted and no further prizes will be awarded.

Disputes regarding the Contest Rules shall be governed by the laws of the State of Georgia.

2. Eligibility

The Contest is open to individuals who are eligible to participate in a PrizePicks contest under the Terms of Service and are physically present in the state of Michigan, Colorado or New York only at the time they attempt to enter the Contest.

Only lineups that are submitted in accordance with the procedure set forth on the PrizePicks platform for lineup into the Contest will be eligible for the Contest.

No purchase necessary. Void where prohibited.

3. Gameplay

Each calendar day during the Contest at 7:00 am Eastern time, participants will receive one thousand credits to be used as lineup fees for that week's lineups. Credits cannot be purchased, do not roll over from week to week, and have no cash value.

participants may play the Contest if they are registered and verified PrizePicks Members. One becomes a member by visiting the PrizePicks platform (website or app), registering an account, and having one's identity verified by PrizePicks.

The procedure for playing the Contest, as made available on the PrizePicks platform (website or app), is as follows:

- Entrant signs into a registered account (or creates one if the Entrant is not a PrizePicks Member);
- Entrant chooses two (2) to six (6) player statistics from the available player squares;
- Entrant picks whether the selected players will get more or less of a particular statistic than what was set by PrizePicks;
- Entrant picks Flex or Power Play;
- Entrant chooses the amount of credits to use as an lineup fee; and
- Entrant submits the lineup.

4. Weekly Contest

Each weekly contest of play in the Contest shall start and finish within a single 6:00 am - 5:59 am (Eastern time) 24-hour period. This has several effects:

- Only lineups that contain contests that finish by 5:59 am Eastern time will be scored.
- PrizePicks will only offer markets, statistical types, and player squares that are projected to be compatible with this 24-hour period. The Contest will not include season-long or multi-day markets, for example.
- Player squares for a certain sport (e.g., NFL) will only be available for selection on game days.

5. Scoring and Payouts

The top 500 scoring participants who finish each week's contests with at least 1001 credits will receive cash prizes as shown in the below payout table. If fewer than 500 participants finish a day with at least 1001 credits, only those participants that finished with at least 1001 credits will receive cash prizes.
